

LOCAL SUPPLIER CAPABILITIES

How well do you know the UAE supply chain?

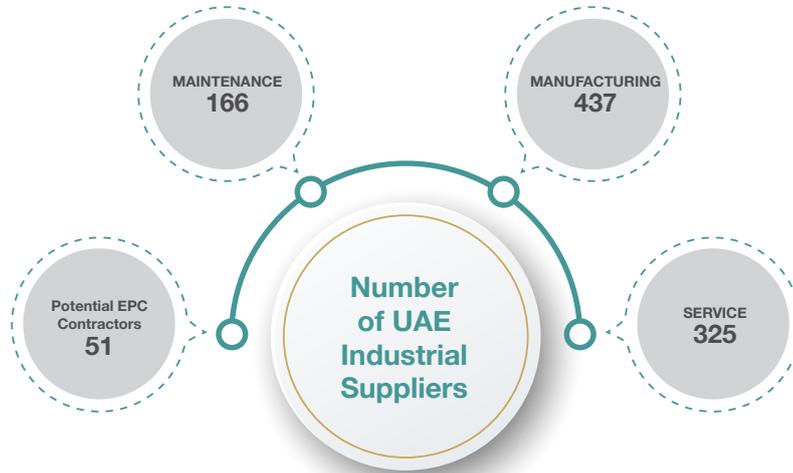

مؤسسة الإمارات للطاقة النووية
Emirates Nuclear Energy Corporation

شركة براكة الأولى ش.م.خ
Barakah One Company PJSC

شركة نواة للطاقة
Nawah Energy Company

As the nation's economy grows and Barakah NPP will start operating, the potential for local companies to get involved with nuclear works is expanding and localization is the right choice to support UAE in delivering safe, clean and commercially viable energy.

Capabilities of Local Supplier in UAE

This illustrates the existing capabilities of local companies, scope and strengths of United Arab Emirates.

The numbers are based on collected governmental data and by screening the top 7 major UAE Free Zones / Industrial Areas.

The data reflects only the UAE industrial potential to support BNPP for operation and maintenance.
